Old Business

- DPAC update
- Slow Signs, traffic flow signs – Burt sent out the parking lot flow email, set up the caution signs and reached out to the maintenance about the possibility of getting a traffic flow sign permanently posted.
- Neufeld orders yay or nay? – Not this year, maybe discuss next year
- Farm to school grant – Brandi to look into
- Did the parents get emails sorted? – Burt looked into it and as far as they can see they are being delivered. It might be an issue with their emails being sent to JUNK, parents should check to be sure.

- Hot Lunch – Burt has looked at other schools and is making some reductions in pricing to try and be more in line with prices elsewhere. They will see how those cost changes impact their ability to finance the program. The district is trying to create a more standardized menu both for food selection and pricing.

New Business

- BCCPAC fee, did Wendy send a cheque? – A check has not been made since 2018 to the BCCPAC- Wendy motions to not pay the BCCPAC unless we see some value in being a part of it. Everyone in Favour, motion passed.
- How to spend the fundraiser money? Everyone bring atleast 1 idea.
 - Friendship bench
 - Sports day? School team activities (Ask leadership class from MSS to come help with school activity days
 - Pool trips, swimming lessons (PAC could pay bus fees?)
 - Pay for busing so Nicola Canford can do their track and field at voght Park
 - Movie night
 - Make a suggestion box for the kids to write things they want at school. Maybe by class and pick top 3 ideas?

Action Items:

- Ask Burt about why we cannot host movie nights?
- Ask Burt to send out an email to let teachers know the PAC has money to help support field trips and bus costs or things they may want to bring into the school.
